Apple Watch Series 521.NX.2612.VR.TRA13 45.0mm

Apple Watch Series 5

Apple Watch Series 5 is the latest addition to the Apple Watch family. It features a new design with a flat top and a more rounded bottom, making it easier to hold. The watch is available in two sizes: 42mm and 44mm. It comes in a variety of colors and finishes, including stainless steel, aluminum, and space gray. The watch is powered by the S5 chip, which provides improved performance and battery life. It also features a new feature called "Always On Display," which allows the watch to show the time and other information even when the screen is off. The watch is compatible with iOS 13 and is available for purchase on the Apple website.
